Beverly Hills Unified School District

Gentlemen:

This is to authorize you to make the following additions and credits to your Contract for the above referred to project:

<u>ITEM #1:</u>		<u>NET EXTRA</u>	<u>NET CREDIT</u>	<u>DAY EXT.</u>
<u>REQUESTED BY:</u>	Rowland H. Crawford, A.I.A. Architect			
<u>DESCRIPTION:</u>	Furnish and install new water connection to the drinking fountain in the Girls' Athletic Field as instructed on the Site	\$242.95	None	None
<u>REASON:</u>	The original water connection that had been installed by the District, which the new fountain was to be connected to, was found to be hooked up to the industrial water used for sprinkling the Athletic Field. This was illegal and dangerous water to drink.
